	Spay	Neuter	Boarding/night	Bath	Groom	Frontline Tx
2-10 lbs	\$100-211	\$80-180	\$15.00*	\$19 and up	\$45 and up	\$15.00
Ultrasonic scaling and polish (Dental Cleaning) \$50						

**Spay/Neuter prices include:** Pre-anesthetic sedation, sedation and/or Isofluraene gas anesthesia, antibiotic injection and pain relief injection. **Additional prices may include:** Pre-anesthetic blood work, Elizabethan collar and pain medications to go home. Pets in heat, pregnant, cryptorchid or overweight and those with parasites, **will have** an additional fee added to the price of the surgery. These prices are estimated and may range according to pet's weight due to the amount of injectable pain reliever required.

**Bath and grooming prices include:** Physical exam, stool check, nail trim, ear cleaning and anal glands expressed if needed. Nail filing, teeth brushing and de-matting are available at additional fees. Pets with parasites **will have** an additional fee from \$15 to \$70

**\*Boarding requirements:** Kittens under 4 months must be vaccinated every two weeks. Cats over 4 months old must have Distemper/Chlamydia and Rabies vaccine once a year. Proof of vaccinations administered by a veterinarian is required. Any needed vaccinations **will be** done upon arrival at an additional fee. A frontline spray treatment and a bath (groom for long hair cats) are **required** and are added to the nightly fee (See prices above). A physical exam and an intestinal parasite check will be done upon arrival at no cost to you; however, any parasites found on your pet must be treated at an additional fee.
