Corte sanitario: (Emparejar falda y patas, afeitarse patas, cara, barriga, recto y punta de orejas en yorkies)

Special instructions (Instrucciones especiales):

Upon arrival to our facility <animal> will receive a comprehensive exam and a parasite check. If **any contagious** diseases are found they **must be treated immediately. This will be done at your expense and you will NOT be called to be advised of any additional charges.** This is strictly enforced and is done to prevent infestations to other pets. However, some infestations are beyond our control; therefore we can not assume financial responsibility for any infestations or diseases that your pet may acquire while being boarded.

It is the owner's responsibility to pick-up their pets before closing time. **Pick-ups after closing will inquire an additional fee at a rate of \$1.00 per minute.** Any pet abandoned at our clinic (not picked-up as agreed and us not being able to contact the owner(s)); will be dipensed as we may deem necessary after 14 days.
